Meetings of the school board shall be open to the public except those meetings when the school board adjourns to a closed meeting by a majority vote of the board. Such meetings shall be conducted in accordance with the legal references to this bylaw.

Code of Va., § 2.2-3700. Short title; policy.—A. This chapter may be cited as "The Virginia Freedom of Information Act."

B. By enacting this chapter, the General Assembly ensures the people of the Commonwealth ready access to records in the custody of public officials and free entry to meetings of public bodies wherein the business of the people is being conducted. The affairs of government are not intended to be conducted in an atmosphere of secrecy since at all times the public is to be the beneficiary of any action taken at any level of government. Unless a public body or public official specifically elects to exercise an exemption provided by this chapter or any other statute, every meeting shall be open to the public and all public records shall be available for inspection and copying upon request. All public records and meetings shall be presumed open, unless an exemption is properly invoked.

The provisions of this chapter shall be liberally construed to promote an increased awareness by all persons of governmental activities and afford every opportunity to citizens to witness the operations of government. Any exemption from public access to records or meetings shall be narrowly construed and no record shall be withheld or meeting closed to the public unless specifically made exempt pursuant to this chapter or other specific provision of law. This chapter shall not be construed to discourage the free discussion by government officials or employees of public matters with the citizens of the Commonwealth.

All public bodies and public officials shall make reasonable efforts to reach an agreement with a requester concerning the production of the records requested.

Any ordinance adopted by a local governing body that conflicts with the provisions of this chapter shall be void.

Code of Va. § 2.2-3701. Definitions.—As used in this chapter, unless the context requires a different meaning:

SCHOOL BOARD BYLAWS**Open Meetings and Closed Meetings**

"Closed meeting" means a meeting from which the public is excluded.

"Emergency" means an unforeseen circumstance rendering the notice required by this chapter impossible or impracticable and which circumstance requires immediate action.

"Meeting" or "meetings" means the meetings including work sessions, when sitting physically, or through telephonic or video equipment pursuant to § 2.2-3708, as a body or entity, or as an informal assemblage of (i) as many as three members or (ii) a quorum, if less than three, of the constituent membership, wherever held, with or without minutes being taken, whether or not votes are cast, of any public body. The gathering of employees of a public body shall not be deemed a "meeting" subject to the provisions of this chapter.

"Open meeting" or "public meeting" means a meeting at which the public may be present.

"Public body" means any legislative body; and authority, board, bureau, commission, district or agency of the Commonwealth or of any political subdivision of the Commonwealth, including cities, towns and counties; municipal councils, governing bodies of counties, school boards and planning commissions; boards of visitors of public institutions of higher education; and other organizations, corporations or agencies in the Commonwealth supported wholly or principally by public funds. It shall include any committee, subcommittee, or other entity however designated, of the public body created to perform delegated functions of the public body or to advise the public body. It shall not exclude any such committee, subcommittee or entity because it has private sector or citizen members. Corporations organized by the Virginia Retirement System are "public bodies" for purposes of this chapter.

"Public records" means all writings and recordings that consist of letters, words or numbers, or their equivalent, set down by handwriting, typewriting, printing, photostating, photography, magnetic impulse, optical or magneto-optical form, mechanical or electronic recording or other form of data compilation, however stored, and regardless of physical form or characteristics, prepared or owned by, or in the possession of a public body or its officers, employees or agents in the transaction of public business.

"Scholastic records" means those records containing information directly related to a student and maintained by a public body that is an educational agency or institution or by a person acting for such agency or institution. (2001)

Code of Va. § 2.2-3702. Notice of chapter.—A. Any person elected, reelected, appointed or reappointed to any body not excepted from this chapter shall be furnished by the public body's administrator or legal counsel with a copy of this chapter within two weeks following election, reelection, appointment or reappointment.

B. Public officials shall read and familiarize themselves with the provisions of this chapter. (2001)

Code of Va. § 2.2-3704. Public records to be open to inspection; procedure for requesting records and responding to request; charges.—A. Except as otherwise specifically provided by law, all public records shall be open to inspection and copying by any citizens of the Commonwealth during the regular office hours of the custodian of such records. Access to such records shall not be denied to citizens of the commonwealth, representatives of newspapers and magazines with circulation in the Commonwealth, and representatives of radio and television stations broadcasting in or into the Commonwealth. The custodian of such records shall take all necessary precautions for their preservation and safekeeping.

B. A request for public records shall identify the requested records with reasonable specificity. The request need not make reference to this chapter in order to invoke the provisions of this chapter or to impose the time limits for response by a public body. Any public body that is subject to this chapter and that is the custodian of the requested records shall promptly, but in all cases within five working days of receiving a request, make one of the following responses:

1. The requested records will be provided to the requester.
2. The requested records will be entirely withheld because their release is prohibited by law or the custodian has exercised his discretion to withhold the records in accordance with this chapter. Such response shall (i) be in writing, (ii) identify with reasonable particularity the volume and subject matter of withheld records, and (iii) cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records.

3. The requested records will be provided in part and withheld in part because the release of part of the records is prohibited by law or the custodian has exercised his discretion to withhold a portion of the records in accordance with this chapter. Such response shall (I) be in writing, (ii) identify with reasonable particularity the subject matter of withheld

SCHOOL BOARD BYLAWS**Open Meetings and Closed Meetings**

portions, and (iii) cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records. When a portion of a requested record is withheld, the public body may delete or excise only that portion of the record to which an exemption applies and shall release the remainder of the record.

4. It is not practically possible to provide the requested records or to determine whether they are available within the five-work-day period. Such response shall be in writing and specify the conditions that make a response impossible. If the response is made within five working days, the public body shall have an additional seven work days in which to provide one of the three preceding responses.

C. Any public body may petition the appropriate court for additional time to respond to a request for records when the request is for an extraordinary volume of records and a response by the public body within the time required by this chapter will prevent the public body from meeting its operational responsibilities. Before proceeding with the petition, however, the public body shall make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.

D. Subject to the provisions of subsections G and H, no public body shall be required to create a new record if the record does not already exist. However, a public body may abstract or summarize information under such terms and conditions as agreed between the requester and the public body.

E. Failure to respond to a request for records shall be deemed a denial of the request and shall constitute a violation of this chapter.

F. A public body may make reasonable charges for its actual cost incurred in accessing, duplicating, supplying, or searching for the requested records. No public body shall impose any extraneous, intermediary or surplus fees or expenses to recoup the general costs associated with creating or maintaining records or transacting the general business of the public body. Any duplicating fee charged by a public body shall not exceed the actual cost of duplication. The public body may also make a reasonable charge for the cost incurred in supplying records produced from a geographic information system at the request of anyone other than the owner of the land that is the subject of the request. However, such charges shall not exceed the actual cost to the public body in supplying such records, except that the public body may charge, on a pro rata per acre basis, for the cost of creating topographical maps developed by the public

SCHOOL BOARD BYLAWS**Open Meetings and Closed Meetings**

body, for such maps or portions thereof, which encompass a contiguous area greater than fifty acres. All charges for the supplying of requested records shall be estimated in advance at the request of the citizen.

In any case where a public body determines in advance that charges for producing the requested records are likely to exceed \$200, the public body may, before continuing to process the request, require the requester to agree to payment of a deposit not to exceed the amount of the advance determination. The deposit shall be credited toward the final cost of supplying the requested records. The period within which the public body shall respond under this section shall be tolled for the amount of time that elapses between notice of the advance determination and the response of the requester.

G. Public records maintained by a public body in an electronic data processing system, computer database, or any other structured collection of data shall be made available to a requester at a reasonable cost, not to exceed the actual cost in accordance with subsection F. When electronic or other databases are combined or contain exempt and nonexempt records, the public body may provide access to the exempt records if not otherwise prohibited by law, but shall provide access to the nonexempt records as provided by this chapter.

Public bodies shall produce nonexempt records maintained in an electronic database in any tangible medium identified by the requester, including, where the public body has the capability, the option of posting the records on a website or delivering the records through an electronic mail address provided by the requester, if that medium is used by the public body in the regular course of business. No public body shall be required to produce records from an electronic database in a format not regularly used by the public body. However, the public body shall make reasonable efforts to provide records in any format under such terms and conditions as agreed between the requester and public body, including the payment of reasonable costs. The excision of exempt fields of information from a database or the conversion of data from one available format to another shall not be deemed the creation, preparation or compilation of a new public record.

H. Every public body of state government shall compile, and annually update, an index of computer databases that contains at a minimum those databases created by them on or after July 1, 1997. "Computer database" means a structured collection of data or records residing in a computer. Such index shall be a public record and shall include, at a minimum, the following

SCHOOL BOARD BYLAWS

Open Meetings and Closed Meetings

information with respect to each database listed therein: a list of data fields, a description of the format or record layout, the date last updated, a list of any data fields to which public access is restricted, a description of each format in which the database can be copied or reproduced using the public body's computer facilities, and a schedule of fees for the production of copies in each available form. The form, context, language, and guidelines for the indices and the databases to be indexed shall be developed by the Director of the Department of Information Technology in consultation with the Librarian of Virginia and the State Archivist. The public body shall not be required to disclose its software security, including passwords. (2001)

Code of Va. § 2.2-3705. Exclusions to application of chapter.—A. The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. Confidential records of all investigations of applications for licenses and permits, and all licensees and permittees made by or submitted to the Alcoholic Beverage Control Board, the State Lottery Department, the Virginia Racing Commission, or the Charitable Gaming Commission.

2. State income, business, and estate tax returns, personal property tax returns, scholastic and confidential records held pursuant to § 58.1-3.

3. Scholastic records containing information concerning identifiable individuals, except that such access shall not be denied to the person who is the subject thereof, or the parent or legal guardian of the student. However, no student shall have access to (i) financial records of a parent or guardian or (ii) records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereto, which are in the sole possession of the maker thereof and that are not accessible or revealed to any other person except a substitute.

The parent or legal guardian of a student may prohibit, by written request, the release of any individual information regarding that student until the student reaches the age of eighteen years. For scholastic records of students under the age of eighteen years, the right of access may be asserted only by his legal guardian or parent, including a noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. For scholastic records of students who are emancipated or attending a state-supported institution of

SCHOOL BOARD BYLAWS**Open Meetings and Closed Meetings**

higher education, the right of access may be asserted by the student.

Any person who is the subject of any scholastic record and who is eighteen years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are to be waived, the public body shall open such records for inspection and copying.

4. Personnel records containing information concerning identifiable individuals, except that access shall not be denied to the person who is the subject thereof. Any person who is the subject of any personnel record and who is eighteen years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, the public body shall open such records for inspection and copying.

5. Medical and mental records, except that such records may be personally reviewed by the subject person or a physician of the subject person's choice. However, the subject person's mental records may not be personally reviewed by such person when the subject person's treating physician has made a part of such person's records a written statement that in his opinion a review of such records by the subject person would be injurious to the subject person's physical or mental health or well-being.

Where the person who is the subject of medical records is confined in a state or local correctional facility, the administrator or chief medical officer of such facility may assert such confined person's right of access to the medical records if the administrator or chief medical officer has reasonable cause to believe that such confined person has an infectious disease or other medical condition from which other persons so confined need to be protected. Medical records shall only be reviewed and shall not be copied by such administrator or chief medical officer. The information in the medical records of a person so confined shall continue to be confidential and shall not be disclosed by the administrator or chief medical officer of the facility to any person except the subject or except as provided by law.

For the purposes of this chapter, statistical summaries of incidents and statistical data concerning patient abuse as may be compiled by the Commissioner of the Department of Mental Health, Mental Retardation and Substance Abuse Services shall be open to inspection and copying as provided in § 2.2-3704. No such summaries or data shall include any patient-identifying information. Where the person who is the subject of medical and mental records is under the age of eighteen, his right of access may be asserted only by his guardian or his parent, including a

SCHOOL BOARD BYLAWS**Open Meetings and Closed Meetings**

noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. In instances where the person who is the subject thereof is an emancipated minor or a student in a public institution of higher education, the right of access may be asserted by the subject person.

6. Working papers and correspondence of the Office of the Governor; Lieutenant Governor; the Attorney General; the members of the General Assembly or the Division of Legislative Services; the mayor or chief executive officer of any political subdivision of the Commonwealth; or the president or other chief executive officer of any public institution of higher education in Virginia. However, no record which is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been attached to or incorporated within any working paper or correspondence.

As used in this subdivision:

"Working papers" means those records prepared by or for an above-named public official for his personal or deliberative use.

"Office of the Governor" means the Governor; his chief of staff, counsel, director of policy, Cabinet Secretaries, and the Director of the Virginia Liaison Office; and those individuals to whom the Governor has delegated his authority pursuant to § 2.2-104.

As used in this subdivision, "test or examination" shall include (i) any scoring key for any such test or examination and (ii) any other document that would jeopardize the security of the test or examination. Nothing contained in this subdivision shall prohibit the release of test scores or results as provided by law, or limit access to individual records as provided by law. However, the subject of such employment tests shall be entitled to review and inspect all records relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

12. Applications for admission to examinations or for licensure and scoring records maintained by the Department of Health Professions or any board in that department on individual licensees or applicants. However, such material may be made available during normal working hours for copying, at the requester's expense, by the individual who is the subject thereof, in the offices of the Department of Health Professions or in the offices of any health regulatory board, whichever may possess the material.

13. Records of active investigations being conducted by the Department of Health Professions or by any health regulatory board in the Commonwealth.

14. Records recorded in or compiled exclusively for use in closed meetings lawfully held pursuant to § 2.2-3711. However, no record that is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been reviewed or discussed in a closed meeting.

The statement shall be recorded in the minutes of the public body.

E. Failure of the certification required by subsection D to receive the affirmative vote of a majority of the members of the public body present during a meeting shall not affect the validity or confidentiality of such meeting with respect to matters considered therein in compliance with the provisions of this chapter. The recorded vote and any statement made in connection therewith, shall upon proper authentication, constitute evidence in any proceeding brought to enforce the provisions of this chapter.

F. A public body may permit nonmembers to attend a closed meeting if such persons are deemed necessary or if their presence will reasonably aid the public body in its consideration of a topic that is a subject of the meeting.

G. Except as specifically authorized by law, in no event may any public body take action on matters discussed in any closed meeting, except at an open meeting for which notice was given as required by § 2.2-3707.

H. Minutes may be taken during closed meetings of a public body, but shall not be required. Such minutes shall not be subject to mandatory public disclosure. (2001)

§ 2.2-3713. Proceedings for enforcement of chapter.—A. any person, including the attorney for the Commonwealth acting in

his official or individual capacity, denied the rights and privileges conferred by this chapter may proceed to enforce such rights and privileges by filing a petition for mandamus or injunction, supported by an affidavit showing good cause, addressed to the general district court or the court of record of the county or city from which the public body has been elected or appointed to serve and in which such rights and privileges were so denied. Failure by any person to request and receive notice of the time and place of meetings as provided in § 2.2-3707 shall not preclude any person from enforcing his or her rights and privileges conferred by this chapter.

B. Any petition alleging denial of rights and privileges conferred by this chapter by a board, bureau, commission, authority, district or agency of the state government or by a standing or other committee of the General Assembly, shall be addressed to the general district court or the circuit court of the residence of the aggrieved party or of the City of Richmond. In any action brought before a general district court, a corporate petitioner may appear through its officer, director or managing agent without the assistance of counsel, notwithstanding any provision of law or Rule of the Supreme Court of Virginia to the contrary.

C. The petition for mandamus or injunction shall be heard within seven days of the date when the same is made. However, any petition made outside of the regular terms of the circuit court of a county that is included in a judicial circuit with another county or counties, the hearing on the petition shall be given precedence on the docket of such court over all cases that are not otherwise given precedence by law.

D. The petition shall allege with reasonable specificity the circumstances of the denial of the rights and privileges conferred by this chapter. A single instance of denial of the rights and privileges conferred by this chapter shall be sufficient to invoke the remedies granted herein. If the court finds the denial to be in violation of the provisions of this chapter, the petitioner shall be entitled to recover reasonable costs and attorneys' fees from the public body if the petitioner substantially prevails on the merits of the case, unless special circumstances would make an award unjust. In making this determination, a court may consider, among other things, the reliance of a public body on an opinion of the Attorney General or a decision of a court that substantially supports the public body's position.

E. In any action to enforce the provisions of the chapter, the public body shall bear the burden of proof to establish an

exemption by a preponderance of the evidence. Any failure by a public body to follow the procedures established by the chapter shall be presumed to be a violation of the chapter. (2001)

§ 2.2-3714. Violations and penalties.—In a proceeding commenced against members of public bodies under § 2.2-3713 for a violation of §§ 2.2-3704, 2.2-3705, 2.2-3705, 2.2-3707, 2.2-3708, 2.2-3710, 2.2-3711 or § 2.2-3712, the court, if it finds that a violation was willfully and knowingly made, shall impose upon such member in his individual capacity, whether a writ of mandamus or injunctive relief is awarded or not, a civil penalty of not less than \$100 nor more than \$1,000, which amount shall be paid into the State Literary Fund. For a second or subsequent violation, such civil penalty shall be not less than \$500 nor more than \$2,500. (2001)
